

# 14<sup>th</sup> Annual Run for Rescue 2010

Dear Sponsor,

We are the West Valley Search and Rescue Team, a nonprofit, 100% volunteer organization with 501(c)(3) status. The West Valley Search and Rescue Team is funded solely from private contributions and fundraisers. All team members train on their own time and purchase all of their own equipment, volunteering thousands of hours annually to help their community. We are on-call 24 hours a day, 365 days a year, ready to respond to any emergency or disaster.

Since 1985, the West Valley Search and Rescue Team has served San Bernardino County by performing wilderness searches for lost and overdue hikers, rescuing and rendering first aid to victims of hiking or climbing accidents, avalanches, downed aircraft, and vehicular accidents on our local mountains. We also have assisted local fire and police departments with body recoveries, urban searches and disasters, and wildfire evacuations. West Valley members volunteer thousands of hours every year on Search and Rescue, training and related causes.

## **We need your help to continue providing these services for our community!**

Here is how you can help. We are now actively seeking donations and sponsorships for our 2010 fundraiser. This will be our thirteenth annual "Run For Rescue", a 5K/10K Run/Walk which will take place on May 1, 2010 at Chaffey College in Ranch Cucamonga. Following the race we host a Safety Fair with displays and demonstrations from different police, fire and rescue agencies. Our 2010 Sponsorship Program form is available on our website. All contributions are greatly appreciated, and *every dollar raised* from this event goes directly toward funding the continuing operation of West Valley Search and Rescue.

Should you have any questions regarding the team, feel free to contact Sgt. Deb Bauman at the West Foothill Sheriff's Station at (909) 356-6767.
